

1269-1284

HUGH III was Crusader King
of ~~Jerusalem~~ Latin State

1269

Mongols had no written language of their own and borrowed scripts from other cultures, such as UYGUR.

Finding that script problematic for transcribing Chinese sounds, Kublai, in 1269 commissioned a new script based on Tibetan. Known as Phags-pa, it never replaced UYGUR but was used

during Kubla's reign in bronze ~~papers~~
passports that guaranteed unimpeded
passages for diplomats and others
through Mongol lands.
